

Instructions for printing the Kids 'N' Clay party invitations:

These invitations are designed to print on a color ink-jet printer, either on plain paper or on specialty paper, such as the HP paper/envelope sets as shown below. This specialty paper is card weight and pre-scored for easy folding after printing, with matching envelopes. You can purchase this paper on-line at www.hp.com, or at office supply stores (on-line or in person) such as Office Depot www.officedepot.com, Staples www.staples.com, OfficeMax www.officemax.com, etc. These stores may also carry a brand other than Hewlett Packard.

If you have any questions about using this invitation – give us a call at 510.845.0982.
